

# Accessibility Statement for Obsidian Construction Services

**Our Commitment** Obsidian Construction Services is committed to ensuring digital accessibility for people with disabilities. We are continually improving the user experience for everyone and applying the relevant accessibility standards to ensure our services are inclusive.

**Conformance Status** The Web Content Accessibility Guidelines (WCAG) defines requirements for designers and developers to improve accessibility for people with disabilities. Obsidian Construction Services strives to conform to **WCAG 2.1 Level AA** standards.

**Technical Specifications** Accessibility of Obsidian Construction Services relies on the following technologies to work with the particular combination of web browser and any assistive technologies or plugins installed on your computer:

- HTML
- CSS
- JavaScript

**Known Limitations and Alternatives** Despite our best efforts to ensure accessibility of our website, there may be some limitations. Below is a description of known limitations and potential solutions:

1. **Old Photography:** Some archival project photos may lack high-quality alternative text or descriptions. We are working to update these as we refresh our portfolio.
2. **Third-Party Widgets:** We use third-party tools (such as maps or social media feeds) to enhance your experience. These widgets are not controlled by us and may vary in their accessibility performance.
3. **Owner-Operated Site:** As this website is managed directly by the company owner rather than a dedicated digital agency, some technical updates may take longer to implement.

**Feedback & Contact Information** We welcome your feedback on the accessibility of our website. Please let us know if you encounter accessibility barriers:

- **Email:** [russell@obsidianconstructionservices.com](mailto:russell@obsidianconstructionservices.com)
- **Response Time:** Because this site is managed personally by the owner, please allow **up to two months** for a formal response. We appreciate your patience and will do our best to address your concerns as quickly as possible.

**Date** This statement was created on December 27, 2025.
